Complaint

This complaint is in regards to the failure of Judge _____, to perform his judicial duties, of ruling on the petition for post conviction relief, presently in his court, under case no CR-_____. Under the Arizona code of judicial conduct it states

Canon 3

"A judge shall perform the duties of judicial office impartially and diligently

But to this date, the judge has failed to render a ruling on the petition, under 32.6 (c) "summary disposition"

I also feel that, because of this failure, to render a ruling, that the following rights, are also in violation

1. U.S. Constitution 14th amendment Due process (procedural)
2. AZ Constitution Article 2 section 11 Administration of Justice
3. Article 6 section 21 Superior Court Speedy decision

Because of these reason, I'm requesting this commission to investigate my complaint, and if necessary, or if possible, compel the judge to perform his duties

Note; Judge _____ is in the superior Court, in the County of Pima
