COMPLAINT AGAINST A JUDGE

On August 18, 2009 at 9:20am, Case Number JVC vs
 was dismissed. was not present in court on August 18,2009. The reason the was
 dismissed process servicer serviced a 16 year old daughter on July 29,2009 on the mother's
 behalf. I ask the process service to go back out on August 2 and service another 5 day
 notice to herself which was in the package showing we went back out and service herself.

I feel this should of never been dismissed. Reason never showed up in court. And yes
 we did go back out with the second 5 day on August 2, which was in the first package.

I have refiled showing on August 2, 2009 we did service properly. To show that we did
 go out and serve herself , Involving more courts cost and more process server fees. New court
 date is on August 24, 2009 at 9:00am Case Number JVC . I feel this one will also be
 dismiss due to the fax that we are using old information and it is way pass 6 day for a court date.

I feel process servicer did everything correctly. I have included the case JVC showing all
 paperwork that was presented to the court and that Judge had at the time.

My tented has not pay since 7/10/09. She owes 100.00 toward s June rent, July's and now August rent.
 Back in May we had wave the first case trying to work with the tenant to help her get back on track. I
 have been more then fair due to hard time.
