Dear Sir

I WANT TO file A COMPLAINT AGAINST Judge
from MESA Superior court.

IN A CASE THAT she presided over, she, The Jury
AND The recorder heard the prosecutor state: We
CANNOT prove our case AGAINST the defendant, we
have NO evidence, etc. etc.

A few minutes later when my attorney asked
for a dismissal on the grounds there was not
enough evidence etc. etc. - The motion was denied!

This is a clear case of judicial misconduct
and shows the judge was NOT impartial, A
major code of judicial conduct says a judge
will perform the duties impartially!
