Every time I have gone before this Judge he has been Biast towards me and he has put my son in a very dangerous situation being with his father. He did not allow me to use my notes, but allowed my ex husband use his. He would not allow my attorney to submit forms for exhibits, but freely accepted all forms from my Ex husband and his attorney. Judge appeared bored, not interested and not listening to testimony. He gazed at the walls, looked at computer often and had no knowledge of exhibits I had submitted. At the hearing he refused to listen to witness testimony and at the trial for my witness he said hurry up and get her in here and get this over. I am begging you, ple. with you to review my case and his conduct. Google his name and you will find many other woman going through the same treatment at the hands of this Judge. I have never be in trouble for anything in anyway. I have raised 4 other children unselfishly giving them my devoted love and care. I am a Christian, hospice Volunteer have a 23 yr career history in the medical field and put myself through school to become a Pastry Chef. My Ex has a history of Domestic Violence with arrest and numerous tickets for speeding. His own Biological child do not live with him due to his abuse. Please review this judge with a microscope so no one else has to suffer as my son (boys) is suffering now. I have never felt so lost.
