The Judge Approved This case on _____ to
Be filed By the clerk of the court after the
Chief Presiding Judge sent it to him for
Review. The clerk sent me the case complaint
with the case number & papers to have it sealed
and once I did so Lisa Parsons said I
did not follow Judge mundell's order in
the court but I did as Judge
who was the Civil Presiding Judge approved
the case. none of my complaints are
filed by the clerk. I send them all
directly to Judge Barbara mundell who then
sends them to the Civil Presiding Judge
for consideration. Here Judge _____ either
didn't attached the minute entry to the complaint
once he approved it or Lisa Parsons is doing
reversible things. Either way due to her
saying that Judge _____ didn't approve it
when he did the case was dismissed saying
I didn't comply with judge mundell's order
but I did. I also got the order when he
listed all the complaints he approved & it
is attached here along with the complaint

Judge did & said I
did not have approval to file
the case but the civil presiding
judge at the time
did not approve it & told the clerk
to file it. The judge dismissed
a complaint when the defense
did not even raise any issue that
it wasn't approved. I then filed
a motion to provide proof the judge
did approve my complaint & the judge
didn't even rule on it. He just
out ignored it & gave the defendant
what she wanted and dismissed the
case. which was improperly done
as she did seek approval of it prior
to that as the case was initially
sent to Barbara mundell who even did
a minute entry on the case to show
she was sending it to
for consideration who then approved.
this judge abused his power &
didn't do the proper research before
his ruling he just dismissed it for no reason.
