On 6/24/10 I attended my court appearance for a Rule 11 hearing in order to determine my competency to stand trial. Now, I was once represented by an attorney by the name of Joquese L. Blackwell but we were having very serious problems, so I filed a bar complaint followed by a civil lawsuit. In the process of these event he filed a motion for me to go to Rule 11 for competency for trial. So, I was interviewed by both Rule 11 doctors, so I was scheduled to appear in court on 6/24/10 for the competency hearing. Now, this is when the judicial misconduct went into effect. When my hearing come up Mr. Joquese L. Blackwell first informed me that he was no longer representing me, because of the civil suit. So, when the honorable Judge _____ heard my case Mr. Black informed Judge _____ that he is no longer my attorney and he told to be there, the judge disregarded everything that the attorney was trying to convey to him and the courts, and the judge moved on with the the proceedings. Now that is a violation because the honorable Judge _____ was very negligent as far as my U.S. Constitutional 14th Amendment Rights of Due Process and Equal Protection is concerned. Now, the whole proceedings was suppose to have been discontinued as soon as the attorney Mr. Blackwell informed the honorable Judge _____ about the civil complaint →

Continuance of Complaint Against Judge

That I have pending against. I filed this judicial complaint against this judge, because of the way he recklessly mishandled my entire court proceedings. What the Honorable Judge did was unethical, unprofessional and very, very ill-advised. I thought that it would be appropriate to bring this matter to the professional appropriate authorities attention. I really truly appreciate your very valuable time and consideration concerning this very delicate matter.

Respectfully Submitted 6/24/10

P.S. I will have my newly appointed attorney to get a court order for the minute entries of 6/24/10 court proceedings, and the important names, dates and places. Now, Mr. Blackwell is a important name for a fact as a witness, because he warned the judge beforehand.
