I have been victimized twice by this "Judge". First an injunction for harassment made by a neighbor which was eventually dismissed but I had to hire a lawyer. Original cost of lawyer \$ 330367. The court told the Condo association (Silvercattle Condo Group) they as an entity could not sue me. I have evidence they did and D'ambrosio was a pawn to go thru with the suits. The Condo Ass. paid her fees. I am now stuck with paying an attorney \$1500. (negotiated down by me). For no crime. The end attorney back had multiple requests for lawyer fees all denied with no explanation. I have written proof for all the above.
