COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 10-204

Complainant: No. 1399200234A

Judge: No. 1399200234B

ORDER

The complainant alleged that a justice of the peace allowed a late filing, failed to address an issue she raised and denied all of her requests and motions. After reviewing the complaint and the court file provided by the complainant, the commission found no evidence of ethical misconduct on the part of the judge. A judge's decision to deny requests and motions involve legal rulings that fall outside the jurisdiction of the commission. Therefore, the complaint is dismissed pursuant to Rules 16(a) and 23.

Dated: September 24, 2010.
