Dear C.J.C.,

Enclosed you will find copies of documents relating to
State v. _____ CR10- _____ a DWI case in the
Tucson City Court, Judge _____

The Judge's conduct in Court last Friday was the most outrageous which I personally experienced in my entire time as an attorney. Tomorrow I begin my 35th year of practice.

Although I have left two messages on Michael Bryan's answering machine he has not called me back to acknowledge receipt of my facs earlier this morning.

Everything else aside, I am 62 years old and my honor, my good name, mean everything to me.

Judge _____ has dragged my good name through the mud for no reason at all.

If this was an earlier time in our country's history I would send my second to his second to demand that the judge advise of his choice of weapons for a duel. That's how upset I am about this attack upon my name in a system that gives me no recourse to demand an apology or to sue for slander.

Respectfully,
