

State of Arizona  
COMMISSION ON JUDICIAL CONDUCT

---

Disposition of Complaint 11-006

---

Complainant: No. 1409610102A

Judge: No. 1409610102B

---

**ORDER**

The complainant alleged that a superior court judge prejudiced his case by declaring him guilty in the middle of a trial. After reviewing the allegations and information provided by the court, the commission found no evidence of ethical misconduct on the part of the judge. The proceeding in question was not a trial but was an evidentiary hearing to determine if “other act” evidence would be admissible. The complainant misunderstood the context and content of the judge’s statements regarding his potential guilt. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.
