COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 11-018

Complainant:	No. 1410410842A
Judge:	No. 1410410842B

ORDER

The complainant alleged that a superior court judge failed to enforce his own orders and did not schedule a hearing on his motion to compel but did set a hearing when the opposing party submitted a similar request. He further alleged that the judge refused to hear his objections to three protective orders a superior court commissioner improperly issued even though the opposing party did not meet statutory requirements. The commission reviewed the matter and found no evidence of ethical misconduct on the part of the judge. The issues raised involve legal rulings that are outside the jurisdiction of the commission and disagreement with a court decision is not sufficient evidence that a judge is biased. Accordingly, the complaint is dismissed pursuant to Rules 16(a) and 23.

Dated: April 12, 2011.

FOR THE COMMISSION
