COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 11-040

Complainant: No. 1411810689A

Judge: No. 1411810689B

ORDER

The complainant alleged that a superior court judge never gave him his day in court and contends that his case is not closed because he never received the proper "E-file signature" from the judge. The commission reviewed the matter and found no evidence of ethical misconduct on the part of the judge. The electronic minute entries reveal that the court granted a motion to dismiss the case in 2009. Since that time, the court has denied the complainant's repeated attempts to seek reconsideration and to submit additional evidence. The commission is not a court and cannot review or reverse legal rulings. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: May 24, 2011.

I HAVE COMPLAINT IN FRONT OF
Since 2009 and as far as I
am concerned my case is still open. But
I keep receiving notice that my case is closed
but I have not received a full e-file
signature from the judge. I feel
is very unfair to I feel the court
made a decision one way or another and is
awarding the problem I wish you could look
in to the situation and determine whether
is in violation of any ethics
code. The Commission decision will be able
for me to determine if I received a fair
assumption of my case. If determined there is
a problem I need to know, I feel I haven't
had my day in court.

Thank You
