She allowed my child to be raped and mis-treated in the states care, she broke federal law by not contacting me or the family. Before putting my child in state's care, she told the court my child was doing sex acts in a shelter. And when I complained she said nothing happened. Also it is a federal law to bring a ~~or~~ kidnapped child over state lines. I know my child to say me and most of my family molested Debuddy in her family could get visitation. Cindy her mother molested her. Also we held a edivence that would of cleared me. In 1-2003 I made the state take my child to a expert. The sex abuse clinic ^{is Phoenix} said there was no edivence that ever touched. And the child never said anything about me abusing her. Cindy knows I didn't abuse because cindy had custody of of the child when she was taking to the ^{clinic}. Also in My my child said her mother saw me molest her, so her mother knows it never happened. The judge of the case is messra and all of the other lawyers heard ~~that~~ when I made a complaint about my child being raped by shelter she was in. ^{the things} did happen sexually because in a foster home in My molested a young boy was trying to have sex with her mother at a visit. I would like to make a complaint on E. Keith Scott Jr I had ^{made} complaints to his office about other lawyers and they did nothing. And tried to make a complaint on ^{is the one who told} and they refused. the court and every body that was raped. Every buddy covered this up. I have had many judges in Arizona. They are all racist and so are all of you is a racist and a rapist of children for allowing my child to be raped. There would be an appeal on all cases with her and the state would be sued in all cases and your group because this judge is a piece of shit.
