Disposition of Complaint 11-085

---

Complainant: No. 1416110918A

Judge: No. 1416110918B

---

**ORDER**

The complainant alleged that a municipal court judge appointed an incompetent attorney to represent him. The commission considered the allegations and found no evidence of ethical misconduct on the part of the judge. The complainant may or may not have a valid complaint against the attorney, but it would not be appropriate for the judge to insert herself into the attorney-client relationship. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: June 30, 2011.

Judge has appt a critically ill lawyer on meds to represent me. This woman has failed contact me or been available to me through collect calls the only way I can call her. Judge has been informed through letters that she is not making any effort for my defense. No witnesses no motion court expense, failing to keep appts. etc etc. She signed off on a non-jury trial listing only 1 witness on my part only 3 days to make motions. I objected verbally on last court date that I had several witnesses not one and also in writing several times. She remains my lawyer stating very cynically Trial is set I'm in charge I will subpoena the one for you Lawyer has been supporting my prosecution not my defense Judge

has been made aware of this; I am entitled to competent counsel I have right to participate in my defense and my lawyer won't let me. Judge is violation of 1st and 2nd items listed on pamphlet about "Code of Judicial Conduct!"
