COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 11-086

Complainant: No. 1212310573A

Judge: No. 1212310573B

ORDER

The complainant alleged that a justice of the peace did not hold a proper hearing and made an incorrect ruling. After considering the allegations and listening to the recording of the hearing, the commission found no evidence of misconduct on the part of the judge. The recording revealed that the judge gave the complainant a full opportunity to be heard and asked several questions to clarify the order of events. The remaining issues relate to the judge's ruling, which is outside the jurisdiction of the commission. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: June 30, 2011.
