**ORDER**

The complainant submitted as a complaint a copy of a motion she filed with the superior court requesting that the judgment entered by a superior court commissioner in a probate case be vacated on grounds the commissioner mishandled the case because of bias. The commission reviewed the matter and found no basis to conduct an investigation. All of the allegations involved legal issues outside the jurisdiction of the commission that the complainant raised in a prior complaint. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: July 22, 2011.

Mr. Stott,

I am filing another complaint against \_\_\_\_\_ with new discovery. She has caused me extreme financial damage and stress because of her misconduct, incompetence and unlawful acts.

Attorney Tom Asimou attempted to extort \$51,000 from me through an unlawful judgment signed by Com \_\_\_\_\_. He then proceeded to place a lien on my Michigan home based upon an unlawful judgment. They both committed "fraud upon the court." Extortion is a RICO crime 8.4 Pattern of Racketeering Activity and 7.09 Hobbs Act-Robbery or Extortion.

I will not rest until Tom Asimou is disbarred and \_\_\_\_\_ is held accountable for her illegal acts in my probate case as well as in Marie Long's case.
