COMPLAINT AGAINST A JUDGE

Your name:

Judge's name: _____

Date: 5/19/11

Instructions: You can use this form or plain paper of the same size to file a complaint. Please describe in your own words what the judge did that you believe constitutes judicial misconduct. Be specific and list all of the names, dates, times and places that will help us understand your concerns. You may attach additional pages but not original court documents. Print or type on one side of the paper only, and keep a copy of the complaint for your files.

I feel that Judge used his Emotions in his ruling of this case, which short cuts our laws. A man kills his ~~child~~ child because she was enjoying her life and not living the life style Dad requires. This is not a crime of passion, rather a crime of a terrorist Religion to kill their child for those reasons.

I strongly feel that the Judge cannot follow the guidelines of ruling on a case without becoming emotionally involved. This Judge should be removed from his duties as a Judge.
