I made good faith efforts to try and obtain relief, either completely
or in part on several citations which are listed on the documents
I have enclosed. Judge _____ has displayed a wanton and
expressed intent to punish without regard. This Judge has knowingly
and willfully violated my rights to due process/Procedural or otherwise!
I am serving 9 years in prison on separate issues. Upon information and
belief, this court has displayed extreme prejudice, Bias and Impropriety
on the issues I've set before the court! As you will be able to see on
one document, the Judge denies Any & All motions before they have even been
Submitted? The city of Tucson has shown extreme prejudice to me in
any and all cases I've had. I am aware that there is to be some level of
advocate between Defense Attorney's & Prosecutors, however Judges are
Suppose to be fair and impartial barring even a hint of Bias or
Impropriety! My prayer here is to notify this commission of the ongoing
unlawful practices going on now in the Tucson court system. Upon
