The legal sufficiency of a judge's rulings are outside the jurisdiction of the commission. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Just recently I applied for Victim Compensation Benefit of the amount of \$13,517.93. Judicial Misconduct played a role in this case. Arizona State Bar investigated and warned Michael Flynn for not paying the victims of the Brent Emerson case on time, Repo partnership of Brent's Arizona home and boat 40% for victims and 60% for the bank. Anthony White has not paid restitution yet, unknown if Brent Emerson has started paying restitution yet. He's out of jail. Violation of the Victim Crime Bill of Rights. I have bills to pay. The Attorney General Office seized the assets, property made mistakes on the case used up the money paid victims less and you guys are ruining my credit which constitutes unprofessional conduct. Please Reappeal and grant the amount I am asking for because I am covered under the lost wage Victim Compensation Benefits requirements and the amount is tax deductible.
