Judge:		No. 1423010889B

## ORDER

The complainants alleged that a superior court judge was biased, rude, and demeaning and improperly allowed their attorney to withdraw over their objection.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After thoroughly reviewing all of the information provided by the complainant and the judge's response, the members of the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.
