Judge: No. 0334510712B

ORDER

The complainant alleged that a justice of the peace refused to allow him an opportunity to present evidence and issued an erroneous ruling.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After thoroughly reviewing the information provided by the complainant and the recording of the hearing, the members of the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission has no jurisdiction to determine the legal sufficiency of the judge's decisions. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: October 18, 2011.

I was wrongfully Evicted from my Wife's home by Her daughter who did not have Standing. She was not on the title of my Wife's home.

The daughter had Medical Power of Attorney over her mother; but that Power of Attorney was revoked days before we went to court.

The judge would not listen nor accept a Marriage license, a Letter of Revocation & an Affidavit in Support of Revocation. She (~~THE~~ ^{THE} Court) was too busy looking at the color of my skin.

This Commission has to do something about this Jurist!
She has disrupted my life & The Court was instrumental in me losing my wife! She must be punished for that!
