① The judge dismissed my case without notifying me, I had to ask to reopen my case. The judge did not admit my witness.

② The ~~the~~ Attorney for the company showed-up without documents to support our case and the Judge ruled on his favor

③ I did not receive any information regarding my case but the company did receive documentation that was used against my case.

④ I personally arrived at the ICA. with dates (7/20/11) ~~from~~ a document received which stated that there was an error in the in relation to the dates (the award and the service page were later corrected) and I was told to wait for the results pending on my case; which I never received either.

⑤ When I came back on the 7/29/11 - to obtain documentation - I was asked if I received my information but I was told that the case was closed and could appeal the case.
