

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 11-224

Complainant: No. 1426310667A

Judge: No. 1426310667B

ORDER

The complainant alleged that a superior court judge delayed issuing rulings beyond 60 days.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the response from the judge, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The complainant's attorney filed several motions in succession raising the same issues. The judge dealt with the final and most comprehensive of the motions, rendering the prior filings moot. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: December 12, 2011.

Judge is not ruling within the 60 days required.

Has had more than 2 motions in front of him for 177 and 78 days that he has chosen to ignore.

Copy of "Motion For Ruling" is (attached)

I need rulings so I am able to appeal.

Judge should realize he is dealing with human beings who need answers. He is affecting peoples lives from that bench.

If Judge does not want to do the job, he should step down. A judge should not be paid for failing to do the job that is entrusted to him.

I am also waiting for a ~~new~~ ruling on a recent hearing for a new trial and a grave math error by Judge. That has been since July 27th. If history repeats itself, I will not get a ruling on this either. (see attached)
