

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 11-228

Complainant: No. 1426610947A

Judge: No. 1426610947B

ORDER

The complainant alleged that a superior court judge failed to disqualify herself based on the fact that she was a prosecutor in a previous case involving the complainant who was a defendant.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the response from the judge, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. In addition, the complainant did not raise the conflict issue until after the jury's verdict. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: December 13, 2011.
