**ORDER**

The complainant alleged that a superior court judge acted unethically by rejecting his request for a change of advisory counsel.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, the members of the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission has no jurisdiction to determine the legal sufficiency of the judge's decision. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: November 3, 2011.
