COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 11-272

Complainant: No. 1378310211A

Judge: No. 1378310211B

ORDER

The complainant alleged that a superior court judge made unfair rulings in his custody and child support case because of a personal bias against him.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, recordings of the hearings, and the judge's response, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission has no jurisdiction to determine the legal sufficiency of the judge's decisions. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: February 23, 2012.

I have been in front of Judge _____ many times. He is a bias judge and has made it clear that he has a personal problem with me. On 8/17/2011 He told my attorney that he didn't know what he was up against with me. He also said in open court I am the worst case he has seen in all his years being a judge. He has ruled unfairly and against me 100% of the time. It is known amongst attorneys it town that he doesn't like me. Judge _____ granted the petitioner an order so my kids couldn't stay at my house because I built two rooms in the garage. He granted her an "Emergency" order. I wasn't even able to be heard. Judge _____ told me I wasn't a law abiding citizen because I built rooms in my garage without proper permits. I can't beleave that these types of things still happen in America. Its sad we have judges that are so unfair to fathers and so one sided. All I ask for is to be treated fair.
