COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 11-275

Complainant: No. 1430610954A

Judge: No. 1430610954B

ORDER

The complainant alleged that a superior court judge was biased and improperly issued an order despite a lack of jurisdiction in the underlying case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the related minute entries available online, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to investigate the legal sufficiency of the judge's ruling. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: December 19, 2011.

I believe judge is neglecting duties to uphold justice and form this complaint based on ~~the~~ Failure to perform or neglecting duties.

* My understanding of an identity hearing is for people who are either not the defendant on case or case was generated by an identity thief. They usually result in correction of record/removal of name/DOB from case & applicable records - neither of which has been done on the above mentioned cases.
