COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 11-288

Complainant: No. 1431310741A

Judge: No. 1431310741B

ORDER

The complainant alleged that a superior court judge was biased and improperly excluded some of his exculpatory evidence. He further claimed the judge altered a transcript and removed evidence from the courthouse to her home during the proceedings.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the judge's response, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission has no jurisdiction to determine the legal sufficiency of the judge's decisions. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: February 23, 2012.

I was was switch to this Judge by the
Prosecution without my knowledge and consent from a fair
Judge I learned that this Judge has multiple complaints on her record
she showed a very harsh and very Biast of hate toward me
my present was waived during Exparte switching to this
Judge she sustain all my comments in court to
cover up certain. During Trial this Judge wouldn't
let in a CD of jail calls that would have found
me innocent, she excluded certain parts of the CD
to play for Jury she also changed the Jury Transcript
Several times to be exact and this Judge also
hid Brady Material during the Trial process and
I witness first hand the Judge remove physical evidence
and took it home to her personal house to evaluate
I don't know how legal this was but I was done during
a motion to limit one, when I brought up that
the Detective had a Civil violation Record on his
Record the Judge yelled in court at me and told me to
simply ask him was this his Record, when I tried to
bring it up in cross examination I was objected and
sustain. The dates arrange from Trial during October
16-20, This Judge let Malicious Prosecution into the Court
Room. Please evaluate this matter so no one else is
abused by the abusive power of any Judicial official
