The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

COMPLAINT AGAINST A JUDGE

Judge's Name

11/09/11

I feel I am not getting a fair hearing from the Judge or Lawyer in Globe Gila County, Az., They don't let me open my mouth they turn to my ex-wife, I try to explain my side why I can't pay or why I am not working. And yet she wants more money.

Every time I go to court my ex-wife ask them for more money and when will I be able to go back to work, she also tells them to request a doctors statement saying why I can't work or when I can go back to work. But I have provided this to them on several occasions already from the first day of the court hearings even from Social Security due to Blood Clots, Seizure. I have given this to them over and over again but they are asking for more all the time plus an income proof for the second time, at first they tossed it out, and now they are asking for another one .

So this is why I am asking for this to be looked into because I feel I am not being treated **unfair in Gila County, plus everyone knows in a small town, plus I feel the Lawyer is related to** and I live in Maricopa were I don't know too many people except my sister and nieces.
