Commission On Judicial Conduct,

This complaint is against Judge _____ of the Juvenile Court, located at 3131 W. Durango, Phoenix Arizona 85009. Case number JD _____ I was an intervener in this case for two of my great grandchildren for whom I will only use initials, M. C. and E. C. ✎

Judge _____ erred when she deliberately sought to make M. C. and E. C. "parentless", by dismissing me as an intervener in the case, in order to make the children available for adoption by non relatives. With this complaint I am presenting courtroom transcripts and cited laws confirming the wrongful conduct of Judge _____ I will demonstrate that Judge _____ has, denied human rights guaranteed by **The Geneva World Council on Human Rights for children**, to M. C. and E. C., the minor great grandchildren of, myself,

Judge _____ has effectuated this miscarriage of justice under the disguise of calling it, "**in the best interest of the children**", when the truth of the matter is, no reasonable effort was made to contact or notify the relatives of M. C. and E. C. to give priority of placement of the children with their biological family, as required by law. Although I, the maternal great grandmother of M. C. and E. C. met all the state requirements to have the children returned to me, Judge _____ refused to sustain due process of law. **(Copies of certificates for family foster care attached.) [Transcript.
