COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-080

Complainant: No. 1438810790A

Judge: No. 1438810790B

ORDER

The complainant alleged that a municipal court judge acted unethically by failing to accommodate her in the processing of a photo radar ticket and entering a default judgment for a ticket that was not hers.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to investigate the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: June 1, 2012.

Copies of this order were mailed to the complainant and the judge on June 1, 2012.

This order may not be used as a basis for disqualification of a judge.

I am filing a complaint against Judge _____ of _____ City Court. In December 2011 or January 2012, I received a photo ticket. I sent in a copy of my driver's license with a brief explanation stating I had several people in my house for the holidays and that this was clearly not me.

I then received a notification to appear in court. I corresponded back stating to the judge I would be in the state of Ohio for some time and could not be there on the date they sent. I then received another letter stating that a motion for reconsideration is denied. I called the court and they told me that I was now fined.

I have now sent another letter today stating that I am appealing this and I want a court date for the end of April or in May and I will fly back to Arizona to fight this. I also stated I would be filing a complaint against this judge and will consult an attorney to go after the _____ for my expenses for this.

I consider this harassment and bullying. I no longer have the picture of the person in my car. The young girl on the phone with the City Of Scottsdale would not send me another one.

Thank you for your time in this matter.
