**ORDER**

The complainant alleged a municipal court judge refused to consider evidence that challenged two previously issued orders of protection.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The complainant's allegations involve legal issues that the commission does not have jurisdiction to consider. Accordingly, the complaint is dismissed in its entirety pursuant to Rules 16(a) and 23.

Dated: August 31, 2012.

①

Dear to whom it may concern I received this terrible Restraining order. I was in shock for a long time. I was dealing with this and the worry of my son being in hospital my grand children's safety. I also had to deal with being the one to Call 911 on my granddaughter here, who was having trouble breathing and dizzy. It was like "How can I, and will I handle all this."

On 11-11-2011 I called and spoke to a lady in Judge's office, she told me I could send anything I had to defend this uncorroborated thing, which I did. On approx 11-19-11, I sent a envelope with tapes, e-mails, copies of orders. these were sent RESTRICTED TO JUDGE

they were delivered and signed personally by Judge on 11-21-11. On 11-22-2011 a letter was typed up and sent to me advising me, my package received. And also stating package seems to contain Mom's Items, that night

the EVIDENCE related to protection or order of  
 M-1142-OP-2011 (Letter A) enclosed  
next page, but that I must follow proper  
 procedure by filing out a Form. With this  
 letter I received my evidence back. I assume  
 since the evidence was sent Restricted which  
 means, only person addressed to can sign  
 and open it, which was Judge  
 she viewed all my evidence but only informed  
 me I must send paper form. (I AM 2000+  
 miles away.) so I could not be there. but my  
 evidence was in her presence

I did the best I could with things  
 going on at home, and trying to deal with  
 my own health, and got together everything  
 and obtain form they instructed me to  
 obtain and Send Back with Evidence  
 I had the form notarized and on  
 December 30th I sent out Form to terminate

~~RESTRICTED AGAIN~~
