

State of Arizona
COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-262

Complainant: Jerry Lanci

Judge: John Hudson

ORDER

The complainant alleged a municipal court judge failed to give him notice before issuing an arrest warrant and failed to assist him in resolving the warrant.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing all of the information provided by the complainant, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: November 2, 2012.
