COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-303

Complainant: No. 1455410742A

Judge: No. 1455410742B

ORDER

The complainant alleged a superior court judge demonstrated bias against him by ordering visitation favoring the opposing party. He further alleged the judge was incompetent because he overlooked a motion for reconsideration and then denied the motion when it was brought to his attention.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant along with various electronic minute entries and pleadings in the case, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's decision. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: December 12, 2012.

COMPLAINT AGAINST A JUDGE

Your name: _____

Judge's name: _____

Date: 10-31-12

Instructions: You can use this form or plain paper of the same size to file a complaint. Please describe in your own words what the judge did that you believe constitutes judicial misconduct. Be specific and list all of the names, dates, times and places that will help us understand your concerns. You may attach additional pages but not original court documents. Print or type on one side of the paper only, and keep a copy of the complaint for your files.

Judge decision in this case was very
one sided to the point of being biased.
He disregarded testimony of aggressive driving
of daughter in vehicle driven by
defendant Renee M. Chavez, the police reports of
2 arrests for domestic violence for Miss Chavez
and various instances of harassment by
Miss against Mr Miss
also failed or missed 4 substance abuse tests.

Judge also went out of his way
to arrange a visitation schedule (Not his duty)
which favored the plaintiff. I believe he did this
on purpose to make my life harder, knowing
I work weekends and have odd hours because
of working in law enforcement out of the state
and country. This ultimately hurts my daughter Liamarie.

Judge is also incompetent. I filed for a
reconsideration which he never responded to when contacted,
he apologized then just denied it without explanation!
Its my belief that he was defending a wrong decision to
try and save face

in my opinion is incompetent, malfeasant
and doesn't deserve to hold his position, it deminishes
the title of Superior Court Judge.
