COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-342

Complainant: No. 1457810082A

Judge: No. 1457810082B

ORDER

The complainant alleged a superior court judge did not properly consider his claim that he is being illegally held in prison. He further alleged the judge applied the wrong standard when considering his claim of gross negligence by the prison in failing to provide proper medical care.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the available electronic court records, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: January 25, 2013.

COMPLAINT AGAINST A JUDGE

Your name:

Judge's name:

Date: 12-12-12

Instructions: You can use this form or plain paper of the same size to file a complaint. Please describe in your own words what the judge did that you believe constitutes judicial misconduct. Be specific and list all of the names, dates, times and places that will help us understand your concerns. You may attach additional pages but not original court documents. Print or type on one side of the paper only, and keep a copy of the complaint for your files.

Dear Committee, on 12-11-12 at 1:30 p.m. I received a hearing with the above named judge on a Motion To Immediately recall/resubmit my prior preliminary injunctions as I'm going completely BLIND; (see Ex. "A" ex). Then I replied to defendant's Response; (see Ex. "B"). As this Committee can see, is that my main argument was on the "FACT" that the above Court/Judge did "NOT" retain "Subject Matter Jurisdiction" over the "Standard of Care & Treatment" over me as a "Prisoner". As I became illegally incarcerated on Oct. 1, 07, when the Hawaii Supreme Court "Invalidated" my extended Term Sentence. And my Standard Sentence of Twenty (20) years "Expired on Nov. 12, 03". This Court didn't comply with my Ad Testificandum on bringing my Sentencing documents; (see Ex. "C") As my status changed/altered from "Prisoner To SLAVE" according to The XIII Amendment. Now, the judge did allow me to state on record some of my main argument, but, the Judge was Refusing To Touch or see any of my exhibits, (see Ex's "D", "E", "F", "G", "H", & "I"). And then the judge telling defense counsel; paraphrase: "I know that you're not prepared to argue that; unparaphrase. (on the Subject Matter Jurisdiction). The judge also stated that "Deliberate Indifference & Grossly Negligent" are considered the "SAME". (The defense counsel was arguing "deliberate Indifference" & my complaint is based on "grossly negligent"). So, this Committee knows any "Rulings or Judgements" that are made with the Court's LACK of Subject Matter Jurisdiction are "INVALID". The record will show, Judge new I was illegally imprisoned as he did "investigate" State v. Mangotea & that's why he new Mangotea was still in carcerated & that how "Judge led defense Counsel on what To say on my allowed argument on being illegally incarcerated". Now, Federal Public defender Gifford also wrote the memorandum of law, (see Ex. "F"). And this Superior Ct. is/are allowing a "Private Corporation To Kidnap me, as they are without legal Authority To detain me". (see Ex. "H" & "I"). (Note: At this time Maricopa Superior Court are refusing To process my Arizona State Habeas Corpus Article 26 - A.P.S. §13-4121 Thru

(Attach additional sheets as needed)

§13-4144. (see Ex. "D"). You see Committee, Hawaii Judges were/are blatantly violating many of their Statutes/laws and I've retained over Twenty boxes of documents to prove that; & not only showing them violating. But, also The 9th Cir. & U.S. Supreme Court agreeing with their Rulings or Judgements. And all of you judges Took an "OATH" To ensure all laws are faithfully obeyed. And now, AZ Judges are Trying To catch up with Hawaii in blatantly foregoing the laws. So is there a conspiracy for me to implement? (see Ex. "J"). As I've completed Thirty (30) years of imprisonment for "Thinking" about an offense; & yes, I have ALL The documents to prove it.
