**ORDER**

The complainant alleged a superior court commissioner violated his due process and free speech rights, and his right to be free from cruel and unusual punishment.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the electronic court records, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the commissioner's rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: January 25, 2013.

## COMPLAINT AGAINST A JUDGE

Your Name:

Judge's Name: 12-3-2012 175, Madison Date: 12-4-2012

**Instructions:** Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times, and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

Acting under the color of law, on this day this Judge violated my Freedom of Speech Rights, Due Process Rights, and cruel and unusual punishment on me in open court. He let a white man speak for almost 5 minutes. When it came time for a "Black Freed man" to speak, he played games with me & kicked me out of his court. He said on record he was bound by the U.S. constitution but still he acted under the color of law. He also told me that the U.S. constitution applied to me, but showed other. I have a Freedom of Speech in all court setting. I told this judge I was under the law of the constitution & wanted to put some things on record. And not want to be "Rushed to Judgment"

The D.O. told us before we got in the court that we will be rushed to judgment & if we didn't want to go to lock down we should not say anything that gonna make the judge mad.

This judge has acted under the color of law, & violated my rights to the fullest. I sat for 6 hours to see this so called judge that swear to uphold the U.S. constitution, for him to violate it in the manner he did makes me feel the constitution don't apply to anyone.

I will file a tort claim after this court listen to the record the judges are out of line. And no one can violate the U.S. constitution, you, the judge that heard my case, myself, no one you, & the judge I saw swear to "up hold the U.S. constitution" Not play with it, & kick it around like these judges are doing..

Thank you
