COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 12-357

Complainant:	No. 1068510638A
Judge:	No. 1068510638B

ORDER

The complainant alleged a superior court judge failed to provide him adequate time to present his case, while giving opposing counsel more time and leeway and allowing the attorney to constantly cut him off. He further alleges the judge made numerous errors in various orders and is biased against him based on his gender.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and various court documents, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: January 31, 2013.
