COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 13-022

Judge: No. 1461110355A

Complainant: No. 1461110355B

ORDER

The complainant alleged a superior court judge blatantly violated the law in his dissolution case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and various electronic court records, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of the judge's rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: February 20, 2013.
