COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 13-028

Judge:	No. 1461410211A
Complainant:	No. 1461410211B

ORDER

The complainant alleged that a superior court judge demonstrated bias in favor of her spouse in her dissolution case.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the available electronic court records, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: April 4, 2013.
