ATTN: PRESIDING JUDGE

RE: A COMPLAINT AGAINST JUDGE

I writing this letter on my behalf, my name is \_\_\_\_\_ and I live in Peoria.  
I was instructed to write a letter to see if you could address this concern I have against  
this judge.

On January 7<sup>th</sup> 2013 I went to the city of Peoria to get an order of protection for my self  
and daughter. I was instructed by 2 officers over that weekend prior to do so in my best  
interest. I recently had broken up with a boyfriend on January 4<sup>th</sup> 2013. He had  
continuously harassed me the untire weekend.

I saw judge \_\_\_\_\_ on January 7<sup>th</sup> 2013 and filled out the papers for the order of  
protection. I was then given a date to appear in court on January 17<sup>th</sup> 2013 at 3:00. The  
defendant needed to be there as well. They mailed him a letter to appear also.

On January 17<sup>th</sup> 2013 the court hearing for my order of protection by judge \_\_\_\_\_ was  
denied. I myself being a single parent feel where is the justice for the people that go in  
front of a judge and ask for protection from a person who is incapable of excepting a  
breakup from his girlfriend. I know how the system works...I myself was married to a  
Police Officer for years who is a Captain back in NJ. I come from a family that has law  
enforcement members.

I told judge \_\_\_\_\_ in court that day that the defendant threatened me against my  
Nursing license to the State of AZ. Which involved a case that was resolved back in  
2011. The defendant sent it in a text to me. I have since then filed a complaint for  
Domestic Violence against the defendant. He is being charged now for 4 counts.  
He has also now went to the board of nursing and now my license is in jeopardy.

Judge \_\_\_\_\_ should have some type of disciplinary action taken. Judge  
excused the case and did nothing to give me protection. She stated to me and the  
defendant that he has only one chance to stay away completely and do not do anything to  
me. Well as you can see now he has gone to the board of nursing and threatened my  
nursing license. As we were leaving the courtroom judge \_\_\_\_\_ told my mother that  
she did not want to do anything to the defendant because he is a CPA and works out of

his house and needs his job to provide an income. I cannot understand how judge has acted.

She is supposed to helping the people when cases are presented to her in time of need. I ask where is JUSTICE served to the guilty people when you cannot even rely on the court system let alone a judge even a female judge to help you in time of need. I wanted protection for my self and daughter and I was denied.

This is very said because now the defendant has gotten out of control enven worse now. I did like I was instructed by the Peoria police when they saw and heard how the defendant was not staying away from me.

I hope you will look into this matter and concern I have because I hope she does not treat other people who ask for an order of protection and she denies them as well like myself and then it might be to late for that person then. Judge would be very responsible if anything would happen.

As far as I am concerned I am very upset with her. There needs to be something done about this matter. I am taken this matter to the State of AZ Judges as well. I will be notifying them of my complaint against Judge and how she denied by order of protection when I really needed one. No justice was served...what a shame..

Thank You for reading this and I hope some action is done.
