Disposition of Complaint 13-098

Judge:	No. 1009114492A
Complainant:	No. 1009114492B

ORDER

The complainant alleged a justice of the peace improperly transferred her case out of small claims court and failed to notify her that he did so for several months.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and court records, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: June 6, 2013.
