On this day I was taken against my will to a big room with fancy lights, cold, cold air so frigid I could see the frost of Awa coming in technological all around, I was frightened beyond measure with nothing or no one to hold my hand and reassure me. I would soon avoid from this very real and very strange world of characters in mafia attire and full combat geared Hatos ready to pounce. The meanest fiercest man I've ever seen in all my life stood before me with a fire in his eyes so blazing hot, I only wondered how long I could last before he sniped in his horrible presents. My mind tearing with anxiety I mustered up all the courage I could overpowering my own will and speech override systems careful and thoughtfully choose my words. But the soon old witch with a long bony and protruding finger, mutated her face into a calm and tried very hard to hide her ugliness with sexy high heels and white hoese, unknowingly or uncaringly not giving any thought to how ridiculous she looked being quite young and too ancient to wear such attire. Squishy. Squishy. The old woman purposely and maliciously slandered my good name with a tongue of Deceitful venom, forbidding me to have a very important document which was instructed by the man with an egg frying on his head to give me a copy. I was removed and put into a room which the next thing I knew I'm on the ground trying to get up and wondering how I bump my head? She cast a spell on my wheelchair so every where I roll her shadow follows me. Then he said you will do what we say then he slowly mentally tortured followed by Exorcism. So now I sit here hoping, praying, crying and massaging my toes waiting... Please give me my papers or remove me from this man of doom Please!!
