Disposition of Complaint 13-163

Judge:	No. 1022014708A
Complainant:	No. 1022014708B

ORDER

The complainant alleged a superior court judge made various erroneous rulings in a probate proceeding.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: July 25, 2013.

Please describe in your own words what the judge said or did that you believe constitutes judicial misconduct. To help us understand your concern, be specific and list all of the names, dates, times and places where the conduct occurred. Judge:

I want you to know that regardless, you and I can be friends. I even give the benefit of the doubt even though every filing he made in the matter of ^{was 10090 per jury.} ~~the~~ ^{of course} ~~my~~ ^{surely} ~~mother's~~ ^{assessor records showed my} properties listed in her name - Title Transfer hadn't yet been approved - in addition the value of the two properties exceeded \$75,000.00 - they had to be probated - the civil filing was invalid. My question to you now is this: Why weren't subpoenaed bank records enough to sustain my complaint? Why did you accept an obviously fraudulent inventory of her estate assets? Why did you accept phony explanation for a missing \$50,000.00 CD (he had no problem cashing the CD in) and it gets worse: the \$50,000.00 CD was not listed on the Xerox ~~with~~ ⁱⁿ the Trust that I eventually received ~~==~~ ^{simply erased it.}

The ~~paralegal~~ ^{paralegal} who prepared it still refuses to send me an original copy. Citing a Confidentiality Clause (Confidentiality clauses expire at the death of the testator). In addition, sent a Power of Will drawn up to prevent the "incidental" exclusion of assets (The God Bless you & take care of yourself
