COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 13-170

Judge:	No. 1062914381A
Complainant:	No. 1062914381B

ORDER

The complainant alleged a superior court commissioner demonstrated bias against him by improperly ordering him held without bond on a bondable offense and by influencing a justice of the peace to continue holding him without bond when the case was remanded to the justice court.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the commissioner engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After review, the commission found no evidence of ethical misconduct and concluded that the commissioner did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: August 1, 2013.
