Re: Presiding

To whom it may concern,

I'm writing to you to file a complaint against [REDACTED] Municipal court, [REDACTED] I believed Judge [REDACTED] has constitutes judicial misconduct as he involved in multiple sex scandals.

First, [REDACTED] s marriage ended as result of infidelity on his part.

Second, seven days after his divorce, according to [REDACTED], he flew to [REDACTED] and involved in multiple sex scandals with at least 4 different girls in five weeks he was there, not mention he has involved in 3 years relationship with his girlfriend in [REDACTED]. [REDACTED] had used his power and title of being a "Judge" to deceived, and manipulated these young girls to get them into bed with him. He flew back and forth from [REDACTED], and stayed in numerous different hotels to be with different girls for different nights. Needless to say, these activities continued for 15 months, which started from April 2012 to current.

Third, [REDACTED] believed he did no wrong for using his title and his job to influenced these young girls while he proud and convinced himself as he could be like "Tiger Woods" for having multiple girls to satisfy his needs. [REDACTED] also convinced as a 60 year old man himself engaged in multiple sexual activities with 4 different girls from 24 to 26 years old for fun would boost up his ego.

Fourth, [REDACTED] claimed he had legitimate business as a man for represent the "Constitution of the United State" for all his visits to [REDACTED] used his line of work and this marriage couple in [REDACTED] to cover up for his dirty sexual activities while he was there.

Please advise me how " we" as the "people", and the "AZ Supreme Court System" appointed with this kind of behaviors to be a "Judge" to represent the "Constitution of the United State"? I did not make a good judgment for his personal life. What make you think he will make a fair judgment while he performs his duty as a "Judge"?

I believed the US Court System will corrupt if every judge turned out to be like , and there will be no law to control criminals in this society.

I also believed the AZ Supreme Court, had wasted our citizen's tax money to pay for salary. With all respects, I'm strongly believed is a sex predator and with this kind of behaviors, he does not have any right to make judgment on anyone. Therefore, I request the AZ Supreme Court to remove from the bench. Please be advised, a copy of this complaint will forward to ; office for review if this matter does not get resolve.
