COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 13-195

Judge:	No. 1066714731A
Complainant:	No. 1066714731B

ORDER

The complainant alleged a superior court judge demonstrated bias by making unfair rulings and by improperly expelling the complainant from the courtroom.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant and the recordings of the hearings, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: September 19, 2013.
