COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 13-201

Judge:	No. 1035514734A
Complainant:	No. 1035514734B

ORDER

The complainant alleged a superior court judge violated her constitutional rights in a family law case and ignored various acts of misconduct by the opposing party and his counsel.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the information provided by the complainant, along with various minute entry orders, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: September 19, 2013.
