**Regarding:**

- **Miscarriage of Justice by** \_\_\_\_\_ **in Arizona Superior Court Case**  
\_\_\_\_\_, Arizona
- **Criminal Fraud by Attorney**
- **Criminal Fraud by Plaintiff,**
- **Ethics Complaint against** \_\_\_\_\_ **for ignoring fraud in his courtroom**

At 3:00 pm on \_\_\_\_\_, the official "Minute Entry" of \_\_\_\_\_ noted that  
"Board Members,"  
\_\_\_\_\_ and \_\_\_\_\_, appeared before \_\_\_\_\_, having been  
introduced as "board members" by their Attorney, \_\_\_\_\_, when NOT ONE of  
these six individuals were "board members" of the Plaintiff.

I, \_\_\_\_\_, undersigned, and \_\_\_\_\_, undersigned, as Defendants, alerted \_\_\_\_\_ the secretary to Judge \_\_\_\_\_  
by telephone at 10:30 am on that very same date, \_\_\_\_\_, that the first three  
of these persons listed above were frauds and would appear as frauds. I never dreamed  
that they would actually drag along three ADDITIONAL frauds, which they did at 3:00  
pm that date, to appear as frauds before \_\_\_\_\_.

I asked \_\_\_\_\_ to please alert \_\_\_\_\_ to this FACT. My mother and I were in  
\_\_\_\_\_, visiting sick family members. This entire

court appearance was very hastily arranged by the Plaintiff's Attorney, who knew full well that we were NOT present in \_\_\_\_\_ at the time he arranged this court appearance and later I did not discover that we had any notice in writing until \_\_\_\_\_

I only found out about it by researching the Arizona Superior Court website on the Internet the day before, on \_\_\_\_\_. I had just recently alerted the Judge and his secretary, in writing, by a pleading the week before, that these people were NOT board members: \_\_\_\_\_ and they were NOT board members: \_\_\_\_\_ on the date that this lawsuit, \_\_\_\_\_, was first filed, thus they had NO standing in the law to even file this lawsuit to begin with.

Here is WHY these six frauds were NOT "board members" \_\_\_\_\_, or \_\_\_\_\_ or \_\_\_\_\_ when a wrongful "summary judgment" was issued against us:

1.

\_\_\_\_\_, our property's dictator, a 90 day notice to quit breaking the laws of Arizona by fraudulently changing the votes of the board and the votes of the 44 legal owners the day after such votes were held. \_\_\_\_\_ has run through \_\_\_\_\_ in just three and a half years on our 44 unit property.

2. On March \_\_\_\_\_, \_\_\_\_\_ fraudulently voted to self-extend their terms of board service at their closed executive meeting, WITHOUT the vote or approval of the 44 legal, true owners or the corporation. This automatically self-terminated their status as "board members." Thus, they had NO standing in the law, on July 5, 2012, to criminally violate \_\_\_\_\_ which does NOT allow anyone to place \_\_\_\_\_ lien, as they did, against our free and clear home of the \_\_\_\_\_s. Since they were not board members due to their "self-termination," they also, of course, had NO standing in the law, \_\_\_\_\_ to even file \_\_\_\_\_, which was another violation \_\_\_\_\_ and \_\_\_\_\_ which BOTH prohibit the filing of lawsuits such as \_\_\_\_\_ as "revenge and retaliation" actions against \_\_\_\_\_ and \_\_\_\_\_ for filing HUD and Attorney General complaints for disability discrimination, as they had done one year earlier, on \_\_\_\_\_ and a second one on \_\_\_\_\_.
3. On \_\_\_\_\_ (same date as in #2 above), \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_ fraudulently voted to STRIP \_\_\_\_\_ of an entire one year of board service, taking her down from three years' service to a two year term of service without the approval or vote of the 44 owners to do so. This, of course, was a second count of fraudulent voting behavior and election fraud, which further eliminated them from any status as "board members."

4. In these same three frauds, together with fake "board members," and , decided to CANCEL entirely the annual board elections for , and just continue to serve as "board members," indefinitely, with NO elections. This was a complete breach of contract between the "board" and the 44 owners of the property, which REQUIRES, as per our bylaws, that such elections be held annually.

We, and , had alerted about this, in writing, in pleadings, the week before . In fact, when asked secretary, if she had received and read this information in this pleading, she said that she had.

however, in our only court appearance with him, on , made the incredible, wrongful statement that he was NOT reading the pleadings from the Defendants in . He is getting PAID by the six million people of Arizona, as a state employee and as an officer of the court, to READ pleadings. Further wrong-doing occurred on when attorney just shoved a six page "summary judgment" under nose and had sign a summary judgment that was written one hundred percent, NOT by , but by private attorney . We have evidence of this because mark sent Defendant, an e mail a few days earlier which was, word for word, written by the very same judgment as signed by the real judge.

So now we even have the spectacle of Judge EVEN writing his own judgments and NOT EVEN reading the pleadings of the Defendants. The Defendants, and , thus did not even get any kind of a fair trial, which is a complete and total violation of their rights under the 7<sup>th</sup> Amendment to the US Constitution which is their right to a fair trial, which they did NOT have.

I, age was first licensed as a real estate broker in the state of . I have been licensed, as a real estate broker, in multiple states since that time. I have a Master's Degree in Business Administration . I am an educated, intelligent person, who was an English major as an undergraduate (BA) at the of . What I have written to , as pleadings, in , is all the clear TRUTH, well-written, in intelligible English, as is this letter. minimized, trivialized, and ignored both myself, , and my , as we each spoke for approximately 15 minutes on February 19, 2013 before . He was NOT interested in what we had to say, or present. He ONLY wanted to speak to and address lawyer who obviously was his "buddy," and with whom he had previous cases and other "interests," but NONE with us. did NOT give us a fair hearing and he did NOT give us a fair trial.

In addition to the three frauds who appeared on to present themselves as "board members" when they were NOT, also appeared were , his wife, and the adult daughter of . I told our neighbor, , who had asked him for some "help" with her swamp cooler, one week later, after his April 8, 2013 appearance, that he was "NOT on the board and that he had NEVER been on the

board of directors at [redacted] Of course, that did NOT stop him and his wife from "pretending" to be "board members" when they were NEVER elected and NEVER appointed by the existing board of directors, to be eligible to LIE to the judge on April 8, 2013.

Our question to the Arizona Superior Court and to the US Department of Justice and to the US Attorney General is THIS:

"How can you have "justice" in a courtroom, when SIX people commit criminal fraud by fraudulently presenting themselves as "board members" when they are NOT" and when the SEVENTH person, attorney [redacted], who fraudulently violates his oath as an [redacted] and fraudulently introduces them as such, in order to STEAL our free and clear home, a [redacted] .00 full price asset, from us, which we have owned free and clear for the past eleven years? And HOW can this attorney [redacted], just sneakily and fraudulently "move over" [redacted] lawyers' fees from a DIFFERENT court case, [redacted], known as [redacted], into OUR court [redacted], known as [redacted] when we had NOTHING to do with the private lawsuit that was [redacted] between PRIVATE PERSON [redacted], Plaintiff, and her PRIVATE [redacted]

For these many, many CRIMINAL FRAUDS, we hereby request a complete OVERTURN of all rulings in [redacted] and in [redacted] against either [redacted] and/or [redacted] whose lives have been destroyed by these many frauds against them.

We, [redacted], and [redacted] have been forced to flee the state of Arizona. We had less than [redacted] in our pockets on [redacted] when we were forced by [redacted], forced by [redacted] and forced by the above six frauds, to enter a homeless shelter and be certified as "homeless" on the state welfare rolls of another state, [redacted]

We have asked [redacted], United States Senator, in the state of [redacted], co-sponsor of the [redacted] Act of 2009, and co-sponsor of the [redacted], to request FULL investigations of [redacted] and [redacted] the above six frauds against a [redacted]

We have lost a free and clear home of the past eleven years, been made wards of a state other than our home state of Arizona, and had [redacted], the [redacted], criminally order [redacted] against us and our witnesses in [redacted] on May 10, 2013 and on May 13, 2013, the day of our foreclosure and eviction. [redacted] further tampered with FOUR witnesses to [redacted], in violation of Arizona and Federal laws about witness tampering, when she criminally solicited other criminals to put [redacted] into the tires [redacted], witness [redacted] into the tires of [redacted], witness and Affidavit author in [redacted] into the tires of [redacted] (twice, once in March 2013 and once in June 2013), another witness in [redacted] 8 and Affidavit author in [redacted] and finally a [redacted] from the [redacted] of [redacted], yet another witness in [redacted] and signator of a letter requesting the permanent removal of [redacted] as a triple conflict of interest representative of [redacted], of [redacted], a private person, and of [redacted], all and each of whom who are in [redacted]

conflict of interest with each other, and with [redacted] and [redacted], as owners of a share of stock in [redacted]

This [redacted], has been fraught with fraud and with criminal activity against us.

On [redacted] we had TWO forward appearances in [redacted]. One was to be on [redacted] 2013 and another, before [redacted], a second judge, was to be on [redacted] as a "settlement conference" hearing.

We, [redacted] and [redacted], never had a chance to have those two forward hearings because attorney [redacted] SHUT the entire case DOWN in a "summary judgment" at 4:38 pm on [redacted] and tricked, duped and fooled [redacted] into cancelling the other two forward appearances because of a criminal attack we had suffered earlier that same day.

At 9:00 am on [redacted], Plaintiff, [redacted] y (fraud, as listed above) criminally solicited her granddaughter, [redacted] to criminally stalk, criminally harass, criminally assault and criminally commit disorderly conduct, all in criminal violation of federal law [redacted], which prohibits such criminal acts against [redacted] caregiver/assistant who are trying to occupy, transfer or sell real estate.

[redacted] followed, for 350 feet, in several directions of the compass, at close 3 to 4 foot range, screaming at him, shouting in a loud voice, that "you are a motherfucker," and "you are a dickhead." She further screamed at him, shouting that she [redacted] "hated you ( [redacted] and that she "hated his mother ( [redacted] )" and that she wanted them to "GET OUT" of their eleven year free and clear home. She further screamed at [redacted] that he was "not a Christian." All of these criminal stalkings, harassments, assaults and disorderly conducts against caregiver/assistants and/or handicapped/disabled persons are in violation of [redacted] a federal hate crimes law.

[redacted], of the [redacted] Police Department, responded to the 911 call by [redacted] who feared for their personal safety. We asked him to arrest [redacted]. Her grandmother, [redacted], obstructed justice by telling the police officer to write down "verbal dispute" and "civil" matter on the police report, when these criminal acts were NOT simple "verbal disputes" and they were NOT "civil" matters. They were CRIMES.

At 4:38 pm, time/date stamp of the Arizona Superior Court, attorney [redacted] after obstructing justice himself with [redacted] and [redacted], tricked [redacted] into cancelling the [redacted], including the "settlement conference," and instead got the judge to sign a [redacted] summary judgment penalizing [redacted] and [redacted], when they had been so criminally violated by the [redacted] of the Plaintiff just seven hours earlier that same day, April 29, 2013.

To add insult to injury, the "police report" was rushed as well, to be time/date stamped by the Police Department at 4:42 pm, just four minutes after the 4:38 time date stamp of the

Arizona Superior Court. This was NO "co-incidence." This was a plan, a collusion and a conspiracy amongst attorney to defraud and to defraud Police and to deny justice to and in

There needs to be a SERIOUS INVESTIGATION of these matters and a dis-barring of attorney and an overturning of ALL judgments in and in

husband, , served in the US Army from 1942 to 1946, risking his very life for his country in the Normany invasion during World War II. What has happened to and her son, under the very nose of the Arizona Superior Court, is NOT supposed to happen in in the United States of America.

PLEASE protect us from these many frauds against us that occurred on your watch, as officials in charge of the Arizona Superior Court in , Arizona, and overturn all decisions against us

Please help us.
