COMPLAINT AGAINST A JUDGE

Your Name: (

Judge's Name:

Date: 8-7-13

Instructions: Describe in your own words what the judge did that you believe constitutes misconduct. Please provide all of the important names, dates, times, and places related to your complaint. You can use this form or plain paper of the same size to explain your complaint, and you may attach additional pages. Do not write on the back of any page. You may attach copies of any documents you believe will help us understand your complaint.

To whom it may concern, I'd like to let it be known and speak on the fact and deliberate actions of Judicial Misconduct going on concerning my pending criminal case and the above mentioned violator.

I have had multiple confrontations with this Majesty each time resulting in my outburst to try to put my point across and let my issues be heard. He has been blocking me from receiving my constitutional right to receive my discovery.

He has threatened to force me to cooperate with counsel that has only been lying, deceiving and roadblocking me from the same.

He has personally told me the courts and all my past counsels have been seriously violating my constitutional rights and taking advantage of my inexperience and ignorance of the court. Now on August 7th wed at 11:00, I had a court appearance that I was told by staff here, and my lawyer about, and he went and held it without me, even though I did not refuse to go. I have no mitigation specialist for numerous reasons and this judge doesn't care one bit. He doesn't see

this as a issue and won't grant more time or effort into getting me one. I'm told he just wants to push me thru and let the appeals process deal with it. Plus I feel he is in "cabots" with the prosecution

for the fact they have a Confidential Informant who is I.D. himself to me and others as a (whom is also charged with the same crime as I) yet they won't put thru Court even after almost 7 years because they "accidentally"

about the misconduct going on with this all then please write me back and let me know what I need to do to be treated fair and unbiased.

Thank you for giving me the moments to try to explain all this going on. I really do want to assist in my defense, come to my appearances and try to hash this all out.

I appreciate you taking the time to read my letter, forgive me for the sloppy handwriting and any grammar incorrections.

I look forward to hearing something positive back with all this...

Sincerely

P.S. If you deem this is a problem I need to address with the Powers of the Arizona Supreme Court, I would ask that you please forward me the correct address I need in order to accomplish this.

Again Thank you and Lord Bless.
