COMMISSION ON JUDICIAL CONDUCT

Disposition of Complaint 13-220

Judge:	No. 1007514750A
Complainant:	No. 1007514750B

ORDER

The complainant alleged a justice of the peace demonstrated bias against him by violating his speedy trial rights and by tricking him into believing he was not entitled to a jury trial. He further alleged the judge improperly granted the prosecutor's motion to dismiss the charges against him without prejudice.

The responsibility of the Commission on Judicial Conduct is to impartially determine if the judge engaged in conduct that violated the provisions of Article 6.1 of the Arizona Constitution or the Code of Judicial Conduct and, if so, to take appropriate disciplinary action. The purpose and authority of the commission is limited to this mission.

After reviewing the complaint, the commission found no evidence of ethical misconduct and concluded that the judge did not violate the Code in this case. The commission does not have jurisdiction to review the legal sufficiency of court rulings. Accordingly, the complaint is dismissed in its entirety, pursuant to Rules 16(a) and 23.

Dated: September 25, 2013.
